Rift Camera Kit

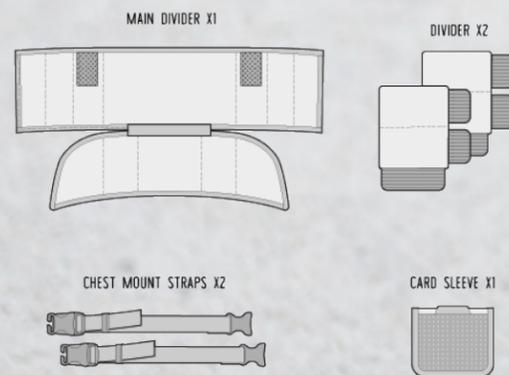

Convert your Rift Pack into a lightweight and well-organized camera bag with the Rift Camera Kit. The Crush Resistant padded insert fits perfectly without compromising storage, while flexible dividers protect and separate your equipment with a custom fit. Included Quick-Attach Straps provide the option to chest-mount the Rift to the harness of the Arris Pack.

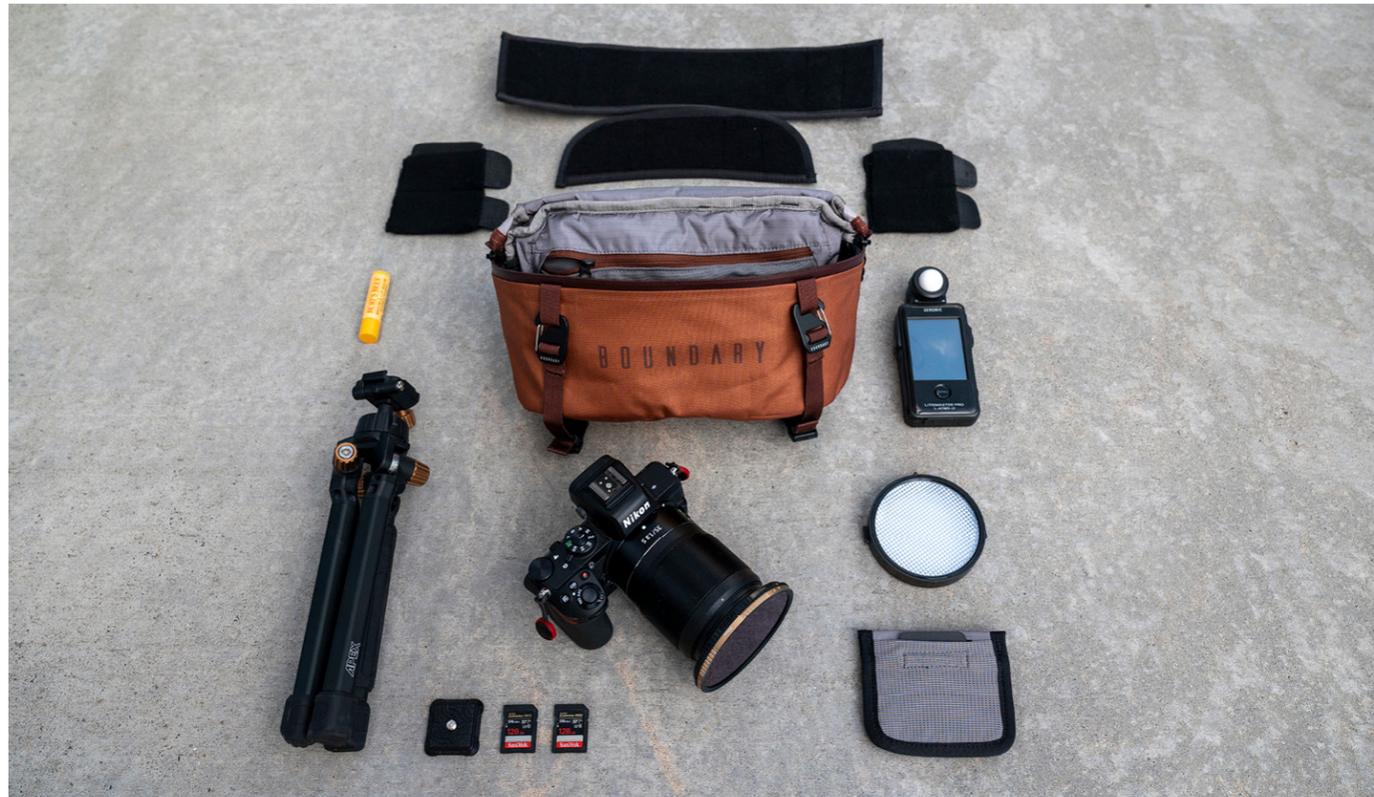

Crush Resistant LFT™ foam protection for your camera gear.

Padded and flexible dividers provide a custom fit.

Quick-Attach Straps allow the Rift Pack to attach the harness of the Arris Pack for quick camera access.

Removable tech pouch securely holds memory cards and small items.
